ANATOMY OF A GIRL GANG is the powerful story of a gang of teenage girls in Vancouver called the Black Roses, a.k.a. "the city's worst nightmare": Mac, the self-appointed leader and mastermind; Mercy, the Punjabi princess with a skill for theft; Kayos, a high-school dropout who gave birth to a daughter at age thirteen; Sly Girl, who fled her First Nations reserve for a better life, only to find depravity and addiction; and Z, a sixteen-year-old graffiti artist.
